

SERVICE LABORATORY

The Fermentation Science Institute offers laboratory and analytical services to fermentation-based businesses and homebrewers that make beer, wine, or spirits. In keeping with SIU's commitment to community service, the service laboratory supports the production of consistent, high-quality fermented products by providing analytical services and technical assistance.

The Fermentation Science Institute Service Laboratory offers testing services certified by the Alcohol and Tobacco Tax and Trade Bureau (TTB) for the analysis of distilled spirits for export.

To submit a sample, go to fermentation.siu.edu and follow instructions under the SERVICE LAB.
